Discussion

THE WHITE HOUSE
WASHINGTON

need new govt over on govt - need new vehicle
not patched up chassis -

Stassen -

(Nach 2 F102)

- Constant scrutiny of concentrated Sov base areas - B 52?
- Intel problem of base level intel

Σ - Gradator problem - armor vs net spear
- 25 yrs - US paralyzed garrison state
- Is everything in defense an addition?
Brad - mod of def & off tactics - new look dec.
of new weapons -

Σ - Devl for ground forces - cheaper & US concentr
of defense & devl mobile force at center of
power - ready move in several directions
but can't call for posts outposts -
Back to govt as a whole - everything too
interlinked to think with - vast interdependence
Planning to work out task force to study
on internal security problem -
